TRAILWALKER 2014: START TIMES

Start times have been allocated for Trailwalker 2014 teams, based on your team's level of experienced and start time preference.

To find your start time, just look for your team's name. To prevent any confusion we've also included the first name of your team leader.

Please note: if you're starting before 9am, you will need to register on Friday 25th July.
