

# The Clothes Line

## Lesson plan 3: Where does cotton grow?

**Age group: 7 - 11**

### **Aims:**

To give practice in reading and using world maps.

### **What to do:**

Ask children to look up in an atlas and mark on the outline map the following countries where cotton is grown:

Brazil; Sudan; China; Pakistan; Turkey; Commonwealth of Independent States (CIS), formerly the Soviet Union; Mexico; USA; Egypt; Tanzania; India; Zambia.

### **Curriculum links:**

<b>England</b>	<b>Scotland</b>	<b>Wales</b>
Geography: - Use atlases, and globes, and maps and plans at a range of scales.	Environmental Studies, Social subjects: - People and place - location and features of maps.	Geography: - Use atlases, and globes, and maps and plans at a range of scales.
