

# Global Citizenship in the Whole School: Early Years

## Lesson plan 2: All in a day

**Age group: 3 - 5**

### **Aims:**

For pupils to gain an awareness of similarities and differences between people, an awareness of different places, and a positive attitude towards difference and diversity.

### **What to do:**

You will need:

- a book showing everyday lives around the world, such as *Shompa Lives in India* by Jean Harrison or *Wake up World!* (also available as a CD-Rom) by Beatrice Hollyer;
- paper and crayons/paints.

Look at and talk about similarities between the daily lives of those in the books and our own lives. Ask the pupils to illustrate a frieze entitled 'A day in the life of our class'.

### **Planned outcome:**

That pupils become more aware of the similarities between people around the world.

Note: *Shompa Lives in India* can also be used for work on Diwali, because Shompa and her family are Hindu.
