not everyone  
is a soldier.**

# Keep civilians safe.

**“We were in the field when we heard shots from the village. By the time we got back they had killed my mother, my father and my son. Everything in my shop had been looted – they’d left nothing.”**

JEAN, DEMOCRATIC REPUBLIC OF CONGO

Millions of people live in the world’s conflict zones, caught between opposing sides. They face the threat of eviction, rape, severe injury or death every single day.

Be part of a massive community that changes things. One with a loud voice, calling for the world’s leaders to protect all civilians. Leave your details at **[www.oxfam.org.uk/conflict](http://www.oxfam.org.uk/conflict)**. Ask your friends and family to do the same. When it’s time to take the next online action, we’ll be in touch.
