Hello

I pop in to your shop on a regular basis and would like to see more Fairtrade products on sale here. If you stock them, I'll buy them. And I'll tell all my friends to get their Fairtrade shopping here.

I'd particularly like to find these products in your shop:

Signature

Name

Address

Postcode

Email

Telephone

Please let me know when I can expect these Fairtrade products to be in stock. Thank you.
