

# Festival volunteers wanted.

# Unforgettable experience provided.

Join the 5,000-strong team of Oxfam stewards, campaigners and shop volunteers at the UK's best music festivals. You'll see live music from the inside – helping make it all happen. In return you'll get hot food, warm showers and exclusive staff camping. Better still, because we're paid for every steward we provide, you'll be raising money to fight poverty while you're at it.
