Excitement

[ik-sahyt-muhnt] noun: a state of pleasurable anticipation

Oxfam **loves** books. And to prove it, we're launching our very first **book festival**.

Oxfam Bookfest will burst onto the book scene with a **bang** on 4 July, and we just know you'll want to be there.

We've certainly got the **entertainment** covered.

Hundreds of shops will be organising an awesome array of **activities and events** – and we're counting the days. We're so excited about all the things that are in the pipeline, we're listing them online too.

Check out www.oxfam.org.uk/books or drop into your **local** Oxfam shop to see what we're planning.

Your local events list covers this area. For other regions, please ask in your nearest Oxfam Bookshop or visit www.oxfam.org.uk/books
