No die-cuts

No glossy paper

No fancy embossing

burrows[®]

No milk.

This year we thought we'd do something more challenging with our Season's Greetings card budget – so we've bought a herd of goats.

20 to be precise. These are part of the *Oxfam* initiative to supply fresh milk to some of the most vulnerable people in the poorest parts of the world.

Season's Greetings and a happy, healthy New Year from everyone at Burrows.

Burrows – challenging ideas
