# HOW TO HOST YOUR OWN WIMBLEDON SWEEPSTAKE

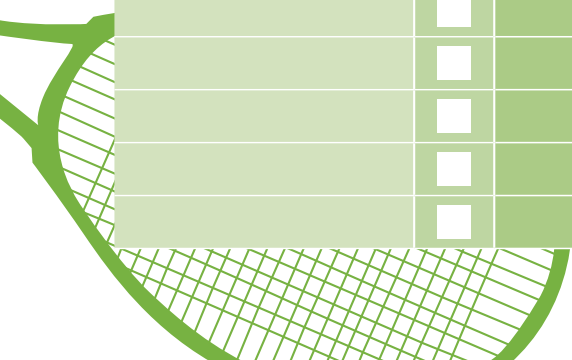

Organising your own sweepstake is a fun and easy way to raise money. You can run sweepstakes for the men's, women's or doubles tournament.

1. On the Friday before Wimbledon starts, they announce the top 32 seeds. Find out which players are participating in the event, and write their names on the sheet opposite.
2. Cut out the names and fold them in half twice. Place them in a hat.
3. Ask your friends to draw a ticket from the hat for a small donation (you can set your own suggested donation, we think £1 or £2 works well in most offices).
4. Keep a note of which player each individual draws from the hat, in the box below.
5. Enjoy the tennis!
6. Game, set and match... After the final, award the winning individual with a prize. This could be a novelty prize, or a percentage of the donations (whichever option you choose, you should make this clear from the beginning).
7. Send the remainder of the donations to Oxfam, and update your online fundraising page with your latest offline donations.

Good luck with your sweepstake. Now, where's the strawberries and cream....?
